COORDINATION
Policy & Planning, Legislation
CHALLENGES

• **National Entry Point** – All potential external partners must recognize MEIDECC/JNAP Sec as Tonga’s National Entry Point for all CCDRM activities

• **Human Resources** – There is still limited number of expertize due to inability to retain personnel (leaving overseas, attracted to higher paid jobs)

• **Financial Resources** – Low national Budget Allocation to Climate Change

• **Committee Membership** – Attendance & Alternate representation of JNAP membership due to overseas travel

• **Mainstreaming & Streamlining** – Mainstreaming CCDRM not as fast as intended due to low number of personnel
MALO ‘AUPITO
